Future things:

Potential: Glen Rogers (Long time and active CSP member) talk and workshop at Kala

New book: "Symbols of the Spirit: A Meditative Journey Through Art"

Glen is planning to give a few presentations in the Bay Area in late October for the book. The book covers 8 symbols that she has used in her work over the last 25-30 years with writings and illustrated with images of her work. She would like to offer a workshop potentially through Kala and CSP would partner again.

Talk about business related topic by **Alan Bamberger:** a San Francisco-based art consultant and advisor best known for his regular posts to ArtBusiness.com, where he creates a visual diary of gallery openings and happenings in the art world in the Bay area
