

April 27, 2018

Dear CSP Officers and Board,

As per the CSP Bylaws I am officially resigning my position on the Board. I have enjoyed working with you all and will be available to volunteer for occational tasks needed, and most especially if there are events or matters related to CSP in the Los Gatos to Carmel area.

I will post this in an encouraging post to the general membership stating my intention and asking for volunteers to take my place.

I feel particuarly proud of bringing our Journal back into production in 2015 when it had been out of print for several years and when I was trying to get our publicity up and running during my first years on the Board.

Thank you All,

Susan Leone Howe
Events Coordinator
