**The Janet Turner Print Museum** was first established at CSU, Chico in 1918 by a generous bequest of the personal print collection of the noted CSU, Chico educator/artist Dr. Janet E. Turner (1914-1988). Her original donation of 2,000 prints has grown steadily through purchase and donation to nearly 4,000 artisan prints representing at least 40 countries and 6 centuries. The collection is regularly displayed in calendared exhibitions August through May and is used for individual, group and class study in its Archive. Additionally, the Museum serves as a site for museum studies through its Curatorial Graduate and Undergraduate Intern Program. Its Kids@TheTurner free, after school art program facilitates art experience and regional class field trips serving the K-12 educational systems.
