

## **For Sale: Universal 1 Vandercook with adjustable bed and letterpress studio equipment**

Jubilation Press, formerly Serenity Press, has been lovingly owned and operated by Cathy DeForest and Derek Pyle since 1995. Cathy began her love of letterpress by printing broadsides featuring the poems of Zen master Thich Nhat Hanh. In addition to printing her unique artist books, Derek and Cathy printed broadsides to honor the work of U.S. Poet Laureates William Stafford, Robert Pinsky, Ted Kooser, and Juan Felipe Herrera as well as poets: Eavan Boland, Michael and Matthew Dickman, Mark Doty, Lawrence Ferlinghetti, Tony Hoagland, Li-Young Lee, Barry Lopez, Michael Meade, Wayne Muller, Naomi Shihab Nye, Alberto Rios, Kim Stafford, and Wavy Gravy. For many years, Cathy and Derek involved the community in letterpress printing through Gallery DeForest in downtown Ashland, Oregon. Highlights included "Poetry In the Neighborhood" events featuring local poets, including Derek.

Cathy's Universal 1 Vandercook press with an adjustable bed is for sale, #20673, manufactured in Chicago. It is in mint condition and has its original paint. The letterpress studio will be sold as a complete set for \$18,000 or best offer. Everything must be picked up in Ashland, Oregon by the buyer and moved at buyer's expense. The additional items are listed below. Cathy is moving to Portland and wants to sell her letterpress studio as soon as possible.
