

# WORLDWIDE ACTION TO „THE STATE OF THE WORLD“

**We are calling worldwide for printmakers** to come forth wherever they may be to participate in a totally innovative, collective exhibition which will be curated and shown in the Gmuender Kunstverein Gallery.

We are a nonprofit art association, located in southern Germany that exhibits contemporary fine art (painting, sculpture, graphic art, installation art etc). This open invitation has been designed to reach out to as many printmakers as possible so as to answer and respond to this central and pressing question: **The State of the World**

## **Technique requirements:**

All analogue (non-digital) printmaking techniques, woodcuts, linocuts, silkscreen.....

## **Format:**

The artworks must be sent online (no originals). The Kunstverein will print the artwork in its original size (maximal size 90x200 cm)

## **The Theme:**

„The State of the World“ can be approached and interpreted in any way chosen: politically, socially, scientifically, spiritually, philosophically etc..  
(The Kunstverein will be responsible for curating the exhibition).

## **Distribution:**

Exhibition in the Gmuender Kunstverein Gallery (Feb-March)

Worldwide presentation via Instagram so as to network as many printmakers as possible.  
A simple catalogue will accompany The State of the Art show.

Additional information and uploads can be accessed as of 10.01.2023  
or from our website. **[www.gmuender-kunstverein.de](http://www.gmuender-kunstverein.de)**
