10

Chris Owen
A minimalist approach to landscape photography.

10

Brian Kuhlmann
Photography with alternative photographic processes.

1

Meg Ricks
"Such a combination of joy and sophistication is rare", said a New York art critic of Meg's work.

8

Misa Art
Metal art created with power tools, acrylics. When displayed with light-gives 3D impression.

11

Lena Savage
Watercolors with deep, glowing colors. Portraits of ethnic people and flowers.

8

Jim Martin
Cast and fabricated metals and reclaimed wood sculptures inspired by ancient objects and geometry.

4

Ellen Yeomans
Plein air landscapes and cityscapes.

7

Morgan Green
Interpretive realism in pastels, capturing California from high Sierras to Pacific surf.

2

Myla Kato
Loose, colorful, abstracted figures and landscapes in oils and other media.

7

Brian Green
Unique vessels from locally foraged woods marked by time, fire and weather.

3

Wanda Venturelli
Bold abstractions, large and small, in oils, Sumi and India Inks, textiles, or kiln-formed glass.

6

Sara Woodburn
Artful woodcuts and Japanese woodblock prints that celebrate the natural world.

5

Karin Aggeler
Abstract expressions in vibrant colors and soft hues.

9

Wendy Brewer
Mixed media mosaics made with glass, clay, gold leaf, metal, natural and found objects.
