

Hi, this is Asa Nakata, a bookbinder and printmaker located in Daly City, CA. I still have two more metal flat files, Kutrimmer paper cutter, heat press, large table, storage cart, etc. I will be adding more items as it gets closer to my moving dates. If you have any questions or interest in any of the items below, please email me here: [Asanakata@gmail.com](mailto:Asanakata@gmail.com)

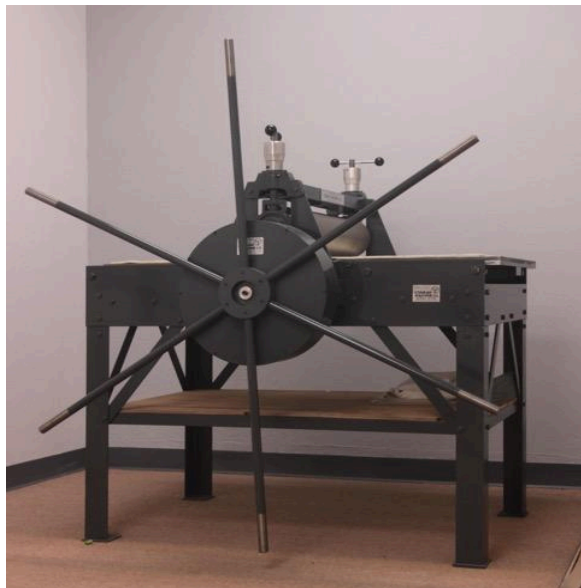

### ETCHING PRESS - \$8000

Conrad E-28 model, with 6" diameter roller and 28"x48" steel bed.

It came from Peninsula Museum, and I have been printing small to large prints with no issues.

Located in Daly City, CA, needs to be picked up. One of the cross pins came stuck, but has no problem moving the height.

- Floor Model Press, Microgauges
- Comes with one used printmaking felt blanket (26.5" x 45")
- Open Spoked Wheel

**Metal Flat File with five drawers - \$400**

17.75"(h) x 53.5"(w) x 40.5"(d)

Used condition, no major issues. The very bottom drawer gets stuck sometimes. It's been used to store prints, paper and bookboards.

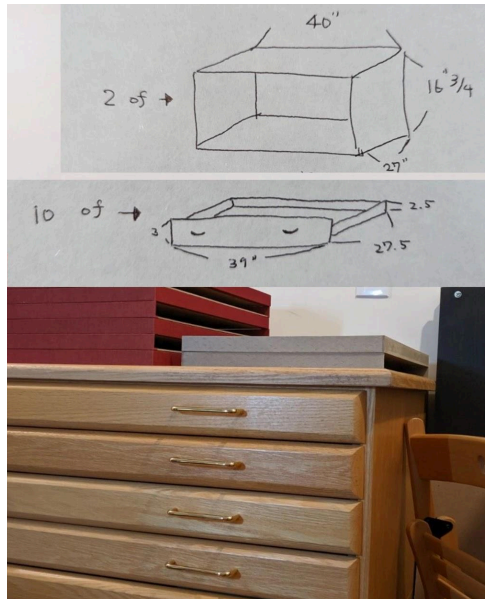

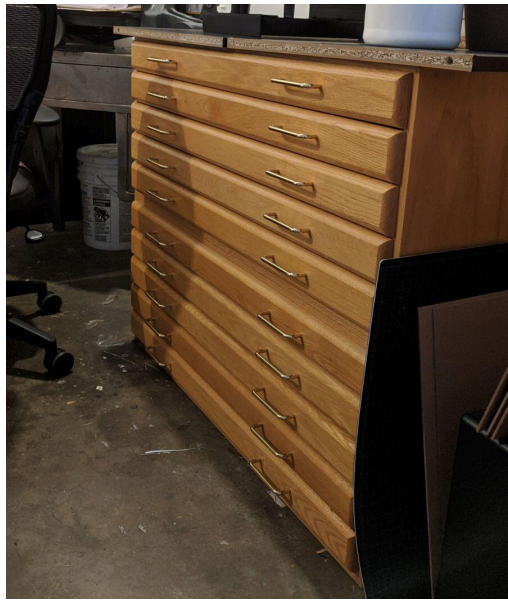

Located in Daly City, CA, needs to be picked up. Image: under the wooden flat files.

**Set of 2 Stackable Wooden Flat File with five drawers - \$950**

Size: 1 flat file, 40"(w) x 16<sup>3</sup>/<sub>4</sub>"(h) x 27"(d)

Good condition, no major issues. It's been used to store prints, paper and bookboards.

This doesn't come with a cap or base. I'm currently using them as my main work table on another large metal flat file listed above. I can also include the large sheet of plywood I'm currently using and cutting mat if you need.

**Chandler & Price cutter with safety lock - \$400**

Size: Handle length about 38"

cutting surface: 19.5"(w) 24"(d)

Body: approximately

Sitting on a metal stand that came with the cutter when I purchased it from another artist. I haven't used it for a while, and the blade may need to be sharpened and rust needs to be cleaned. Located in Daly City, CA, needs to be picked up.
