

Professor Emeritus Thomas Wojak assisting CCA(C) alumni and family members at an Alumni Day reunion.

Let's Talk!

The recent news of CCA(C)'s impending closure was as traumatic as it was unexpected, and alumni and friends of the Print Studio have many memories of their experiences at the College.

If printmaking formed a part of your creative journey at CCA(C) or elsewhere, you are invited to join alumnus/Professor Emeritus Thomas Wojak and alumna/former staff member Misty Youmans at their studio/home to gather, exchange stories, and celebrate the Print Studio.

When: Sunday, February 22, 2026 from 2 to 5 pm

Where: The W.O.R.K.S at 437 Georgia St., Vallejo, CA 94590

Space is limited!

Please RSVP to mlyoumans@gmail.com by Friday, February 20.

Please note: This event is a private event hosted by Thomas and Misty; CCA(C) is not involved in any way. This invitation offers an opportunity to share and reminisce together, not to complain and point fingers.
